Reference: Ana Cheza

This is to confirm that Ana Cheza was our Third Stewardess on M/Y 2 Ladies (47m Rossi Navi) from April 2019 until end of October 2019. She is leaving the boat because of the seasonal position agreed by contract.

During Anna's stay onboard, the yacht was actively chartering for more than 3 months, with maximum 36 hours turnarounds and often12 guest onboard. She has been without doubt instrumental for the success of the season and she kept going professionally despite the very hard period we have been through.

During her time onboard she has demonstrated a good organizational capacity, growing professionally with a mature and consistent attitude. She is very dedicated and loves her job, always responsible of her duty. She dealt with housekeeping -6 cabins -, laundry for crew and guests and service together with me. She was much appreciated from guests, the owner's family and crew alike.

Ana's strong and positive personality together with her present stronger service and organizational skills, make of her a very precious team player ready for new commitments on bigger boats.

I remain available should you wish further information.

Respectfully,
Rossella Stefanile

To Whom It May Concern;

Ana was employed as 3rd stewardess and in the last few weeks stepped in as 2nd stewardess on board the 45m motor vessel “Arete” from July 01st, 2018— Dec 08th, 2018. "Arete" is a live-aboard, hands-on, private, family used vessel.
