FOA: Hiring Manager

RE: Position of Deckhand

To whom it may concern,

I am writing to you today with the view to gaining a permanent or seasonal position as a deckhand within the Super Yacht industry.

Growing up in a small town just outside of Portofino, I have had the privilege of being around the sea most of my life which sparked my interest for the industry having seen a variety of super yachts on a regular basis when visiting the port in my spare time.

Although I am Green to the industry I am exceptionally keen to prove my ability and believe that I would make a great asset to your team. In addition, I enjoy being challenged; I work well in a team as well as able to work effectively on my own initiative.

I am a fast learner, have sheer determination and ultimately, passion to develop a career in which I see myself excelling in over the coming years.

I pride myself on giving my very best each and every day, being able to manage and maintain relationships and being able to communicate effectively with people on all levels. In addition, I have a keen eye for detail and a deep passion going the extra mile with a view to exceeding expectations wherever possible.

I have enclosed a copy of my up to date Curriculum Vitae for your kind review and I welcome the opportunity to meet with you to further discuss my application. I am currently based in Italy and ready for interview at a moment's notice.

Sincerely yours,

Sisay Spina
