Reference letter for Mr Aiken Dercksen

To whom it may concern,

This letter is to confirm that Aiken Dercksen, South African passport No A05508167 was employed aboard Lady M II from the 15th April 2017 until the 12th July 2018, in the capacity of Lead deckhand.

Aiken joined Lady M II fairly inexperienced but was very enthusiastic and a fast learner.

Lady M II is a very busy Private Yacht and our Owners spend extended periods on board, expecting superior standards at all times. Lady M II is a full ISM yacht and Aiken has a good understanding of the ISM system and requirements. He often gave safety briefings to the crew as part of our on-board training schedule.

Aiken was always cheerful, punctual and well presented. He is not shy of hard work and always willing to assist other departments when needed. He gained valuable Bridge watch time whilst on board and was a very competent watch assistant. His deck skills are continuing to improve to a high standard and he was a tremendous help during an extended refit carrying out varnish work, paint repairs and general deck maintenance. He has excellent tender driving skills, often driving the owners with both inboard and outboard engines.

Aiken served on board along with his girlfriend and I was very impressed how professionally he maintained a separation of his work from his relationship. For such a young man this showed a maturity beyond his years.

Aiken will be a great asset to any yacht as a Lead deckhand and I am confident he will make a very good Bosun in the near future. I wish Aiken all the best with his future endeavours and I would be delighted to work with him again.

Kind regards,

John H Watson

Hi Aiken

Video received! I have to say you have done a fantastic job with the filming and editing, I am sure the family will be thrilled to have this as a memory of their 'isolation' period.

I hope that the crossing has got off to a good start and you are all busy racking up those miles for the Burgess 5000 charity ride, although last I checked we were beating you 😊

Kind regards
Bella

JOY

Letter of reference for Aiken Dercksen

To Whom It May Concern:

This letter is to confirm that Mr Aiken Dercksen, Passport number A05508167, has worked as deck hand aboard Motor Yacht Joy between the 28th August 2019 and the 15th of June 2020.

Motor Yacht Joy is a 70m, 1095gt, RVL Feadship, delivered in 2016, commercial yacht registered in the Cayman Islands. We operate busy back to back seasons in the Caribbean and Mediterranean.

Aiken's CV originally stood out for us because of his background playing tennis at a high level, a specific interest of the yachts owner. His skill and experience as a deckhand soon became valued and highly relied upon within our deck department. Aiken also stepped into the role of Videographer and produced the most fantastic films for the guests to take on departure, documenting the fun they had had during their charters.

I am personally incredibly grateful for Aiken's time aboard. He leads by example and is an absolutely top level deck hand, a sentiment echoed by our recent charter guests on departure. His conduct is professional and he maintains a very strong work ethic. Aiken will be missed by the entire crew. We would love to work with him again and I don't hesitate to offer you the highest recommendation for him.

If you have any further questions please contact me directly on the phone number below.

Yours Sincerely,

Martin Shairp
